Pay must, I think, regulate seniority, and the claim is therefore correct. The Comptroller, however, has given a different view. To be settled for opinion.

I am afraid I have to differ from the
view taken by the members. The last
part of the report seems to be quite
correct at the time of his appointment as my
own member. He has been in service
for the first two years. I don't think his
present contribution is remarkable.

the Dewan approves as his question is an
important one affecting the interests of his

While the Comptroller has viewed the point from the usual accepted service standard side there is some force in the argument put forward to the S. S. At the same time, I feel that it is inexpedient to raise this question now. It is just possible that when the time comes for promotion to the Brigadier grade Mrs Albuquerque may, with her higher qualifications &c, stand a better chance than there above her at present, provided her work in the meanwhile is satisfactory & as good as it is expected to be. The consideration of the question may, it seems to me, be deferred till then. Meanwhile she will not be a loser from the financial point of view.

S i r,

In forwarding herewith copies of correspondence between Lady Assistant Surgeon Miss M. C. Albuquerque, and the Comptroller, regarding the former's place in the list of Lady Medical Officers as shown in the Civil List corrected upto 1-4-21, I have the honor to state that Miss Albuquerque was given⁺ a start of Rs. 300/- in consideration of her special European qualifications and it stands to reason that, an officer started on a certain stage in a progressive scale of pay for special considerations, ought to be allowed to rank above others that were in the lower stages of the same scale. Otherwise the advantage to the former officer becomes only nominal. I therefore request that Miss Albuquerque may be ordered to be shown at the top of the list of 1st Grade Lady Assistant Surgeons.

I have the honor to be,

Letter No. B, Dated, 24-5-21, from Miss. M. C. Albuquerque, Assistant Surgeon, Krishnarajendra Hospital, Mysore, through the Medical Officer, Krishnarajendra Hospital, Mysore, to the Comptroller of Mysore, Bangalore.

I have the honor to state that on perusal of the Civil List (corrected up to 1st April 1921) I find my name placed last among the Assistant Surgeons on 200-20-360, grade although I am Senior in pay. I was entertained on Rs. 300/- on 23-9-1919, when the three Assistant Surgeons, who are placed above me, were drawing less pay than mine. As I am Senior in pay I request you to be so good as to have my name placed first as is done in the cases of Dr. Miss. J. Jhirad who was entertained on Rs. 600/- when Mr. M. J. Whale Senior in Service, is placed next her as she is drawing Rs. 500/-

I am sure this is from clerical mistake. I request that you will kindly order it to be corrected in the next issue.

Letter No. 831/G.A.D. dated 3rd June 1921, from the Comptroller of Mysore, Bangalore, to the Medical Officer, Krishnarajendra Hospital, Mysore.

Adverting to his Memo No. 1655 dated 26th May 1921, forwarding a representation from Miss. Albuquerque, Assistant Surgeon, regarding her place in the Civil List, has the honor to intimate that the entry as shown in the Civil List is quite correct, as the date of appointment to a particular grade and not the pay drawn by an officer the criterion under which his or her rank is fixed.

As regards Miss Jhirad, she was appointed in a higher class than the one in which Mrs. Whale was working and her name was therefore placed above the latter, before Lady Medical Officers were separated from the General list and that order is being continued.
